

ROLAND-STORY COMMUNITY SCHOOLS
2017-18

TO: RURAL PARENTS
FROM: MATT PATTON
SUBJECT: HARD SURFACE ROUTES

Please keep this list for the entire year. Because of the snow or mud, we may use hard surface only routes as conditions warrant. Announcements will be made on WHO, KQWC and Reliance Bank Time & Temperature. Email Notification Weather Announcements can also be signed up for on our website at www.roland-story.k12.ia.us . Listed below are times and places for your route. We hope this will cause as little inconvenience as possible.

If you want your students picked up or delivered to some other locations, please give the driver a note. The drivers will stop at the road intersections listed on the sheet. If no one is waiting for the students, the driver will bring the students back to school. Students will not be dropped off on an open intersection without someone waiting to pick them up.

Don Braathun
GREEN Route #4
