**News from the Roland Library:** We're on a roll at the Roland Public Library on Wednesday April 3rd at 1:30! Back by popular demand, our early out program will be absolutely "marblel-ous"! A-maze your friends and family by building the ultimate marble maze. We have magnetic, free standing, lego, or use some of our recycled materials to make and take home your very own maze. Test the laws of physics and have fun doing it! We hope to see you rolling on in on Wednesday afternoon.

**R-S PTO Can/Bottle Recycling Day:** The Roland-Story PTO will be holding their next Can/Bottle Recycling Day on Saturday, April 13th. The Roland-Story PTO greatly appreciates the support of our community residents and businesses for their donations for this project.

**Quote of the week:**

"If human beings are perceived as potentials rather than problems, as possessing strengths instead of weaknesses, as unlimited rather than dull and unresponsive, then they thrive and grow to their capabilities."
