

Roland-Story Community School District
DISCRETIONARY BUSING
2016-2017

Discretionary busing is an optional service offered by the district to those students who live within the city limits, or are attending preschool. Students may select their pick up/drop off points from the pre-determined stops listed on the back of this form (or on the district website).

The semester fee, paid in advance, is set annually by the Board of Education. The cost per student per semester for 2016-17 is \$60 AM/PM stops. The fee for ONLY AM or ONLY PM will be \$30 per student per semester.

To sign up for discretionary busing, please complete this form and return it, along with your payment, to the central office at 1009 Story Street, Story City. Make sure to include the code for your chosen stop on the form.

Second semester payments are due on or before December 22, 2016, to continue discretionary bus service on January 4, 2017.
