

Roland-Story Community School District
DISCRETIONARY BUSING
2018-2019

Discretionary busing is an optional service offered by the district to those students who live within the city limits, or are attending preschool. Bus stop locations must be selected from the pre-determined list on the back of this form (or on the district website).

The semester fee, paid in advance, is set annually by the Board of Education. The cost per student per semester for 2018-19 is \$60 for both *TO & FROM* school. The fee for *ONLY TO SCHOOL* or *ONLY FROM SCHOOL* will be \$30 per student per semester.

To sign up for discretionary busing, please complete this form and return it, along with your payment, to the central office at 1009 Story Street, Story City. Make sure to include the code for your chosen stop on the form (see back of form). You are also able to sign up online at rolandstory.revtrak.net.

Second semester payments are due on or before December 21, 2018, to continue discretionary bus service on January 3, 2019.
