

GOOD MORNING! TODAY IS WEDNESDAY, SEPTEMBER 11, 2019 DAY #12

There is a 1:00pm dismissal today.

It's LEGO time! Come to the Roland Library for LEGOMania today starting at 1:30pm. Enjoy an hour of building time making your very own amazing creation or work together with your friends. If you love legos and want more opportunities to build, we also have LEGO Club every Monday from 4-5:30pm. We'll supply the bricks, you supply the imagination. LEGO programs are for kindergarten and up, though younger siblings are welcome to attend with an adult.
