**Pennies for Preston Fundraiser:** Builders Club is busy working on fundraising efforts to help cancer victim Preston Bahr, who would have been a 6<sup>th</sup> grade student with us this year. His sister, Hannah, would have been a junior at Roland-Story High School this year. Preston and his family moved to Arizona over the summer due to a job transfer opportunity. Shortly after they moved, Preston was diagnosed with a rare form of bone cancer. The family travels four hours one way to receive treatment, and the transportation and medical bills are building. Builders Club wants to rally RSMS to help contribute funds to the family to help a former classmate. Please feel free to bring any money donations to the main office to place in the "Pennies for Preston" container from now until December 14.

**Blessings for Blank:** Builders Club will be collecting donated new toys in the main office from now until December 11. The mission of this project is to brighten the days of young patients who are fighting big battles at Blank Children's Hospital. Please bring a new toy, game, puzzle, coloring book/colors, etc. to the main office collection spot. You may also bring a cash or check (made to Roland-Story) that will be presented to Blank Children's Hospital. Toys and financial donations will be delivered before Christmas. Thanks in advance for bringing a smile to children in the hospital during the Christmas season!

**Red Out: Roland-Story Key Club is hosting a Red Out with the American Heart Association on Tuesday, December 11<sup>th</sup>, at the home varsity basketball game against Gilbert.** Shirts are available for \$10. Order forms are in the office. There will be contests at half-time of both the girls and boys games. We will also have a table selling t-shirts and bracelets, along with a CPR station. Each donation will help fund ground-breaking heart research and help people live healthier lives! Wear **red** and support the AHA.
