Applications will be due to the office Friday, May 7th, by 3:35 PM and posted from May 10th-14th. No late applications will be accepted. 8th Graders will vote in Mrs. Broich's class on Friday, May 14th! Applications are available in the MS office. See Mrs. Paulson if you have any questions.

Broadband Survey Extension: Story County, along with ten (10) other counties in Central Iowa, is participating in a study to determine the availability of adequate and affordable broadband service throughout our county. An important part of this study is a survey of Story County residents and businesses. The deadline for the Story County broadband coverage survey has been extended to May 14. If you haven't already taken the survey or shared the survey with your networks to help us encourage others to take the survey, please do. The survey can be accessed on the website for the [Greater Des Moines Partnership](#), which is coordinating the study. There are two separate survey links: one for [residential households](#) and one for [businesses](#). Sincerely, The Story County Broadband Team

Due to scheduling conflicts, the JV and Varsity softball team will now be playing Nevada on Wednesday, June 16th in their annual **Coaches vs Cancer game**. All funds raised go to a local family battling cancer. Support the team and support a local family by purchasing apparel via this link.
