This is very similar to the PTO volunteer postcards from years past but we are going electronic! 1 teacher from the ES and MS with the most responses from parents from their respective students will receive \$100 gift card to use towards their classroom needs! "Bead it" over to the **Roland Library** this Wednesday after school for a truly beadilicious program. This week's early out program called Bead It! We'll be creating amazing works of art with perler beads, also called fuse beads because they are fused together using heat (don't worry kids, the librarian will be wielding the iron!) The program starts at 1:30pm, but it's ok to join us when you can. Kids in kindergarten and up are invited to "bead" there for the fun!
