This is an opportunity for any 7th/8th-grade students to get high-performance sports training from Premier Athlete Training out of Ames. This is not a school affiliated activity so there will not be a shuttle bus provided in the morning other than the shuttle leaving the high school at 8:05 to bring the students over to the middle school in Roland. Locker rooms will be available and breakfast will also be available in the high school cafeteria. Below are the purpose and goals of this program.

Purpose - Through age-appropriate strength training, we will improve our athlete's mental and physical ability to compete in our athletic programs.

Goals - Improve functional strength - Improve Speed, Quickness, Agility, and Explosiveness - Improve Mobility and Flexibility - Improve Confidence & Trust in our strength and conditioning programs - Teaching proper lifting mechanics. - Improve our ability to limit injuries. - The focus will be on mobility, flexibility, and the basics of our strength program.
