**Broadband Survey Extension:** Story County, along with ten (10) other counties in Central Iowa, is participating in a study to determine the availability of adequate and affordable broadband service throughout our county. An important part of this study is a survey of Story County residents and businesses. The deadline for the Story County broadband coverage survey has been extended to May 14. If you haven't already taken the survey or shared the survey with your networks to help us encourage others to take the survey, please do. The survey can be accessed on the website for the [Greater Des Moines Partnership](#), which is coordinating the study. There are two separate survey links: one for [residential households](#) and one for [businesses](#). Sincerely, The Story County Broadband Team

**All Students**-as the weather gets warmer we ask that you follow our school handbook when it comes to the clothes you wear. The handbook states: Any clothing that is cut/torn or worn so that it exposes excessive skin, or inappropriate areas of the anatomy and does not properly cover the body is not suitable for the school setting and is not acceptable. Midriff-baring tops, tube tops, halter tops, spaghetti strap tops, or strapless tops are not to be worn. Short skirts or short shorts are also not permitted. Students that wear any of these items to school will be required to change clothing and a parent may need to be called.

Sign 1: "Please help. I'm a blind young poor boy."

Sign 2: "It's a beautiful day, I'm blind and I can't see it."

Sign 1 makes people aware he is blind. Sign 2 makes people aware that they are not. Perspective matters.
