Some items we're looking for are themed baskets, event/experience tickets, or gift cards. Thanks!

Hey students! If you are at least 14 years old (or will be by the end of this May), Riverside bible camp has an awesome opportunity this summer for you to work on their hospitality team. If you are interested in knowing more about this program, please contact their director, **Cheri Hennager**, by email at cheri@riversidelbc.org or on their website at www.riversidelbc.org.

7th and 8th Grade Roland Rural Bus Room please report to Mrs. Allman's room at 3:30.

Reminder to all students attending middle school and high school events: Please come to watch the event and NOT be running around. Remember to demonstrate the Norse Code positively cheering for both teams.

RSMS to offer "Skip the Trip" Iowa DOT instruction permit knowledge tests

Do you have a student who is ready to take the operator knowledge test to get an Iowa instruction permit to drive? RSMS is now offering the test right here at school as part of the Iowa Department of Transportation's "Skip the Trip" program. In partnering with the Iowa DOT, RSMS can save families time, cost, and the hassle of making a trip to a driver's license service center for testing. Students will be able

to take the web-based test in a more familiar environment that works to reduce test anxiety and increase success rates. Tests are overseen by trained school staff to assure the integrity of test results. To be eligible to take the remote knowledge test, your student must be age 14 or older and not currently hold an Iowa instruction permit. Students that have turned 14 prior to the testing date must sign up in the office and have permission given from their parent by either email or phone. Students will have the opportunity to test on the second Tuesday of each month. "Skip the Trip" allows students to take their initial test at school as the first step in getting your student to be a confident driver. Once a student has successfully passed the test, the student will receive an email verifying a successful test. The student brings a copy of the email to the driver's license service center along with the other required documentation that will prove their identity to be issued their instruction permit. Service center staff will verify passing test result emails with Iowa DOT records. Visit www.iowadot.gov/mvd/realid/success.asp to determine what documentation to bring with you to receive your student's permit. To prepare for a successful knowledge test, students should study the Iowa Driver's Manual and online practice test, both available at: <https://iowadot.gov/mvd/driverslicense/manuals-and-practice-tests>.

Quote of the Week:

"Football is a great deal like life in that it teaches that work, sacrifice, perseverance, competitive drive, selflessness and respect for authority is the price that each and every one of us must pay to achieve any goal that is worthwhile."

Vince Lombardi
