Information about test security and procedures can be found in the [District Assessment Policy and Procedures Handbook](#) located on the district website. **In addition, due to ISASP testing, we are going to give students a little more time to sleep in and be more rested for the week. We will not hold ANY activities in the mornings from April 25th through April 29th including Premier. Early morning activities may resume on Monday, May 2nd.**

Hey students! If you are at least 14 years old (or will be by the end of this May), Riverside bible camp has an awesome opportunity this summer for you to work on their hospitality team. RSMS to offer "Skip the Trip" Iowa DOT instruction permit knowledge tests

Do you have a student who is ready to take the operator knowledge test to get an Iowa instruction permit to drive? RSMS is now offering the test right here at school as part of the Iowa Department of Transportation's "Skip the Trip" program. In partnering with the Iowa DOT, RSMS can save families time, cost, and the hassle of making a trip to a driver's license service center for testing. Students will be able to take the web-based test in a more familiar environment that works to reduce test anxiety and increase success rates. Tests are overseen by trained school staff to assure the integrity of test results. To be eligible to take the remote knowledge test, your student must be age 14 or older and not currently hold an Iowa instruction permit. Students that have turned 14 prior to the testing date must sign up in the office and have permission given from their parent by either email or phone. Students will have the opportunity to test on the second Tuesday of each month. "Skip the Trip" allows students to take their initial test at school as the first step in getting your student to be a confident driver. Once a student has

successfully passed the test, the student will receive an email verifying a successful test. The student brings a copy of the email to the driver's license service center along with the other required documentation that will prove their identity to be issued their instruction permit. Service center staff will verify passing test result emails with Iowa DOT records. Visit www.iowadot.gov/mvd/realid/success.asp to determine what documentation to bring with you to receive your student's permit. To prepare for a successful knowledge test, students should study the Iowa Driver's Manual and online practice test, both available at: <https://iowadot.gov/mvd/driverslicense/manuals-and-practice-tests>.
