### **Nurse Updates**

During this time we are taking extra safety measures to keep our students, families and staff safe. Due to this we ask that if your child has two or more low risk symptoms or one high symptom they stay home for 10 days. If you would like to have your child evaluated by their health care provider during that time please communicate with the school the outcome of the evaluation by your child's doctor and we will work

together to determine the date your child can safely return to school. Thank you for cooperation during this time.

Just a reminder that DMACC 2<sup>nd</sup> semester online classes begin ONLINE classes Tuesday, January 19. DMACC has also canceled spring break week so classes will still be in session that week. If students are planning to go on trips that week, they will still be expected to be able to work on their class if need be. If WIFI is going to be a problem during that time, they should communicate ahead of time with their instructor or figure out a plan to have WIFI.
