FROM THE OFFICE

Reminder that masks are strongly encouraged and some teachers will be requiring them in their classrooms. Please be using sanitizer and practice social distancing.

All high school students need to complete a [“Healthy Kids Physical Activity”](#) form and turn it into the office.

Facilities & COVID Precautions:

Spectators will be asked to mask in public spaces at the game (concessions, restrooms and entrances). I know we’ll do a great job of representing our community and responsibly social distancing. We want to keep playing, so if these measures help that-we’ve got to do a great job. As far as I know, there are no attendance limits at South Hamilton, so ticketing should not be an issue for you. Students are required to wear masks in the student section. This will be true for all away games. You could be asked to leave if not.

If you were an FFA member last year and wish to retain your membership, be sure to stop into the Ag classroom to fill out a membership form.
