FROM THE OFFICE

Picture Retake Day- Thursday October 29th. We anticipate them being here round 10:30am after they have finished at the middle school and elementary school.

Annual Baseball Fan Cloth Apparel Order - Once again the RS Baseball Program is offering multiple non sport specific apparel ranging from youth, womens and mens items. The apparel order is now live and closes November 12th. Items are sure to be great Christmas gifts, and will arrive prior to break. A new feature for 2020 is that orders will ship directly to your home, you will no longer need to wait for player delivery. Simply visit, <https://fancloth.shop/HQBJC>, pick your items and enter your mailing and payment information. Be sure to list a 7th-12th grade baseball player as they will get credit towards incentives for the number of items sold. All proceeds will go to the JH and HS baseball program. Paper copies of the catalog can be found in the office and commons. Contact Chris Hill at chill@roland-story.k12.ia.us with any questions.

The Elementary Book Fair is happening online and in-person from Oct.30 through Nov. 5th. If you are interested in working a shift for service hours, please sign up on the PTO website. We will have safety rules in place, including wearing masks!

¡Club de Español! - Spanish Club is selling t-shirts! T-shirts will be \$14 with checks made out to Roland Story Schools. See Mrs. Paulson or Mrs. Lettow for an order form, or to check out the design! **Order forms are due by Thursday, Oct. 22nd!**

Nurse Updates

During this time we are taking extra safety measures to keep our students, families and staff safe. Due to this we ask that if your child has two or more low risk symptoms or one high symptom they stay home for 10 days. If you would like to have your child evaluated by their health care provider during that time please communicate with the school the outcome of the evaluation by your child's doctor and we will work together to determine the date your child can safely return to school. Thank you for cooperation during this time.
