National History Day - National History Day is an annual contest that involves conducting historical research on a topic of your choice and then entering the state contest. Top projects

The apparel order is now live and closes November 12th. Items are sure to be great Christmas gifts, and will arrive prior to break. A new feature for 2020 is that orders will ship directly to your home, you will no longer need to wait for player delivery. Be sure to list a 7th-12th grade baseball player as they will get credit towards incentives for the number of items sold. All proceeds will go to the JH and HS baseball program. Nurse Updates

During this time we are taking extra safety measures to keep our students, families and staff safe. Due to this we ask that if your child has two or more low risk symptoms or one high symptom they stay home for 10 days. If you would like to have your child evaluated by their health care provider during that time please communicate with the school the outcome of the evaluation by your child's doctor and we will work together to determine the date your child can safely return to school. Thank you for cooperation during this time.
