Advocate, Seek Help, Speak Up!

*Be Kind to each other-Do not use social media to tear someone down!

*See or hear something? Say Something to an adult.

*Advocate for yourself if you need help; Seek a trusted adult.

*Parents, keep the communication going between you and your son/daughter.

*Know crisis information. Some ideas are to Call 911; Utilize the P3 app; Call the Crisis line 1-855-581-8111. Maybe put that number in your contacts. The service is available to all ages.

Anyone experiencing a crisis can access the crisis line.)

J-term: Students should be working on their rough draft of their project and talking to your Seminar teacher for help or guidance to have a quality project. Refer to the yellow document for answers to basic questions. If you are planning an off-site project, you will have to get that cleared by your Seminar teacher 1st, then schedule a time to talk to Mr. Boliver. **DO NOT WAIT UNTIL THE LAST MINUTE ON THIS PROCESS.** The online proposal form will open on November 15th for all students during Seminar.
Students who are late with turning in their Online Proposal will be **REQUIRED** to be On-site for their project. Online proposals are due November 23rd at the end of the school day.
