ISASP testing is right around the corner. High school and elementary will be testing the week of April 18th. Middle school will be testing the week of April 25th. Information about test security and procedures can be found in the [District Assessment Policy and Procedures Handbook](#) located on the district website.

In addition, due to ISASP testing, we are going to give students a little more time to sleep in and be more rested for the week. We will not hold ANY activities in the mornings from 4.18-4.22. Early morning activities may resume on Monday, April 25th.

We will still have EBPE since it is a class. Please try to eat breakfast and get a good night's sleep on test days and give your best effort!

The City of Roland is researching the need for childcare in Roland. As a part of this effort a survey was created to gauge the need and interest. For accuracy, please only complete one survey per household and only complete the survey if you are looking for a childcare facility that could potentially be utilized by you. The survey will remain open until noon on Wednesday, March 30, 2022. The link to the survey can be found below.
