

This should be done from a computer and web browser, not the mobile app. Pairing codes cannot be generated from the Canvas mobile apps.

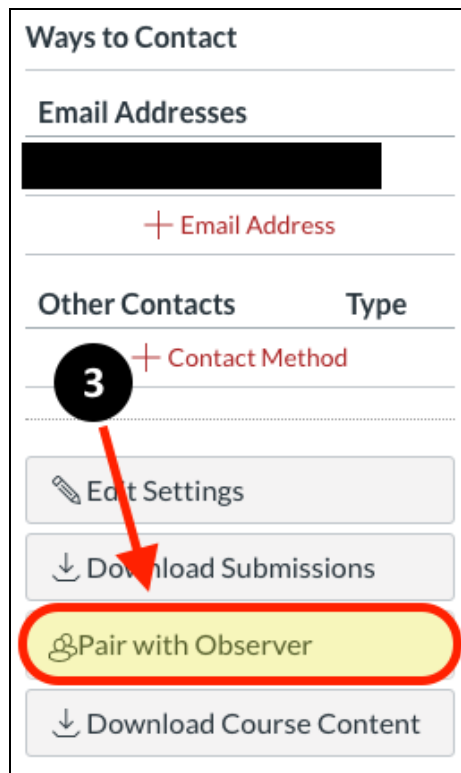

## Log In to Canvas

### Open Settings

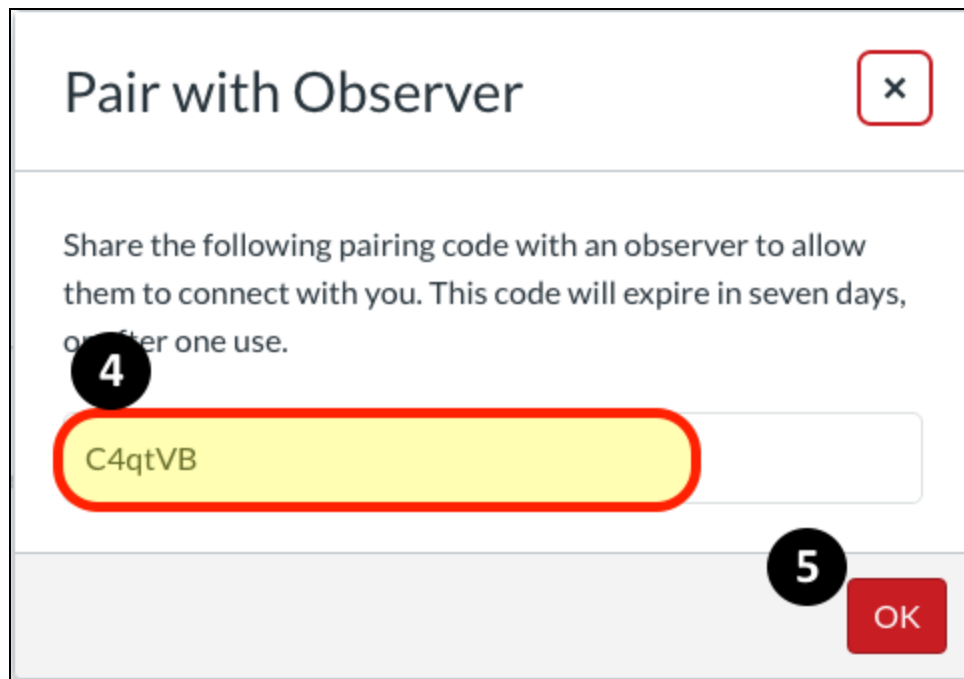

On the left of your screen click on **Account** [1], then click on **Settings** [2].

### Pair With Observer

On the right side of the User Settings Screen click on **Pair with Observer** [3].

## Copy Pairing Code

Copy the six-character pairing code [4]. Then share that code with the observer who will link to your account.

To close the window, click the **OK** button [5].

Note: The pairing code will expire after seven days or its first use.

Note: Pairing codes are case sensitive.
